

Multi-purpose armchair

Alera U series

FOCUSED ON WHAT MATTERS

SPECIALTY
HEALTHCARE
SEATING

Shown with Modena Auster and Elephant vinyl upholstery.
Front casters and height adjustment included as standard.

MAINTAINING PATIENT AUTONOMY

Comfortable and stackable

Adaptable, residential-looking and sturdy

In long-term care environments, this type of chair is subjected to intensive daily use. The Alera facilitates resident repositioning for dining, activities, or other daily needs, while helping reduce the physical strain on caregiving staff. A solution that combines ergonomics, comfort, and seamless integration into the living environment.

Stackable up to 3 chairs
